

PART TIME GLAM STAFF JOB POSTING

**Wouldn't you love a job where your
#1 responsibility is to be the life of the party?**

That's exactly what being a Glama Gal Spa Host is all about. Our hosts embody the Glama Gal motto ("Be Positive, Be Confident and Be YOU!") and help each special girl who walks through our doors embrace it, too.

Our hosts welcome tween girls (from ages 3 to 16, really) to day spa services, parties, camps and workshops and their main goal is to make each and every single one of our guests feel confident and valued! Our hosts are friendly, and take an interest in boosting the self-confidence and esteem of our young guests. They embrace fun, and beauty from the inside.

Do you love promoting positivity? Do you love sweet spa fragrances, sparkles and giggles? Are you available evenings and weekends to join a team of supportive, engaging, fun and encouraging staff? You could be the next addition to our glamtastic team!
